Great! On EPA's side, we don't know who will fill Greg's void when his detail ends, so we can't plan for their attendance.

But Micka and I are available the following dates in August:
August 13, 14

TMeeting after Aug 9 sounds fine to us too.

I just talked to Greg and we are thinking the same. He would like MDE to have a more concrete proposal to present to the group before we meet. We are meeting internally on Aug 7, so a date after Aug 9 would be fine for us.

Its an option for us! Do you both think this allows your team enough time to meet internally and prepare for it?

Hi folks,

We are available on July 30, July 31, and August 2.

From looking at Anna's dates, is July 30 an option?

Hi folks,

I am guessing about 4-5 from DOEE. I will check calendars and come up with a few suggestions for a date before Aug 9.

I suspect there may be 4 of us from EPA.

We are happy to host at MDE. Can I get a headcount so I can reserve an appropriate sized conference room?

Hi Ed and Anna,

I'm hoping you two can coordinate with your group and send over some potential dates for our group trash TMDL development meeting.

Unfortunately for us, Greg's detail ends on August 9th, so we're trying to rope him in for this meeting before that. If before August 9th doesn't work, we can try and schedule for afterwards. Anna, would you be able to host in Baltimore? Perhaps we can think about a 10 am – 2 pm timeframe.

If we can't schedule anything before August 9th, perhaps we can align our meeting with COG's AWRP trash workgroup quarterly meeting (to be scheduled for sometime in August). Since a bunch of us will already be attending the quarterly meeting, perhaps we can schedule our meeting after that around 1 pm if DOEE is willing to host.

Thank you for your help,
